The Brainless Bean-Shooter.

In the Second District Police Court yesterday a High School youth was arraigned for using a bean-shooter. He was discharged with a lecture, in which the court said that "a good boy of good home and good family with a bean-shooter is as dangerous as a bad boy of bad surroundings with a shotgun." No truer assertion ever came from the bench. The bean-shooter has blotted the light of God's day from more human lives than the shotgun. There are rigid laws to punish the person who discharges firearms within the city limits, but the brainless youth who blows blindness through a reed or hurls misery from a slug-shot is rarely punished. Legislation is necessary on these questions. There is no need of waiting for the repetition of injury before applying corrective measures. The knowledge of the power for sorrow in these devices has cost too much already.—St. Louis Chronicle.

THE FORD'S BLACK-DRAUGHT

THE GREAT FAMILY MEDICINE

Theford's Black-Draught has saved doctors' bills for more than sixty years. For the common family ailments, such as constipation, indigestion, hard colds, bowel complaints, chills and fever, biliousness, headaches and other like complaints no other medicine is necessary. It invigorates and regulates the liver, assists digestion, stimulates action of the kidneys, purifies the blood, and purges the bowels of foul accumulations. It cures liver complaint, indigestion, sour stomach, dizziness, chills, rheumatic pains, headache, backache, kidney troubles, constipation, diarrhoea, biliousness, piles, hard colds and headache. Every druggist has Theford's Black-Draught in 25 cent packages and in mammoth size for \$1.00. Never accept a substitute. Insist on having the original made by the Chattanooga Medicine Company.

I believe Theford's Black-Draught is the best medicine on earth. It is good for any and everything. I have a family of twelve children, and for four years I have kept them on foot and healthy with no doctor but Black-Draught. **A. J. GREEN, Hefers, Ia.**
